When the cemetery was constructed a double concrete divider was incorrectly installed between graves 1 - 12 and 23 - 34. It was also decided that burials would not be conducted with the deceased "toe-to-toe" (hence the potential graves sites marked in red to indicate that they should not be used).

 Internment	 Reserved	 Do Not Use	 Lawn Ashes A1 - A7 Large Headstone Memorial Option	 Lawn Ashes - A8 - A44 - Memorial same as Rose Garden type
