## Important Information about Events in the Shire of Bridgetown-Greenbushes

This Event Application is part of the Shire of Bridgetown-Greenbushes event approval process, which is used to manage the application process for all events on Shire-owned/managed property, lands or facilities.

**The Shire's Event Information Pack is to be used in conjunction with this document.** The Event Information Pack contains more detailed information for event organisers.

It is the sole responsibility of the event organiser to ensure that all relevant approvals have been obtained and conditions and requirements met for an event. Your event is not approved until the Shire of Bridgetown-Greenbushes is satisfied with all sections of the checklist and event details.

Why do events need to be assessed?

- To protect the health and safety of all persons attending events
- To protect property
- To protect the environment
- To prevent social disorder (violence, drunkenness, conflict)
- To ensure legislation and regulation compliance
- To ensure a successful event
- To protect your reputation
- To ensure financial viability of the event
- To minimise the risk of liability and litigation

**Note:** Services including telecommunications, water and electricity supply are outside of the jurisdiction of the Shire of Bridgetown-Greenbushes. It is recommended that all organisers have contingency plans in place for any instances where these services are affected during events.

## Application Process

### STAGE 1: Event Application

- Step 1:** Event organiser reviews the Events Information Pack and completes the Event Application.
- Step 2:** Event organiser submits the Event Application to the Shire. Applications must be submitted at least **8 weeks** prior to your event to ensure approval can be obtained on time. We recommend that you submit your application as early as possible. The application is distributed to relevant Shire Officers for assessment.
- Step 3:** The Community Development Project Officer will liaise with the event organiser if any further paperwork or information is required as outlined in the Event Information Pack.

### STAGE 2: Event Registration and Documentation

- Step 4:** The shire will **issue the event approval letter** (outlining specific conditions, noise, electrical, etc.) and issue relevant Permits and Licences, (liquor, camping, public buildings, etc.) via email or mail to event organiser.
- Step 5:** Event organiser **arranges event** in accordance with event conditions and other applicable requirements. Event organiser **submits any additional documents and forms required** (stated in the event conditions such as electrical compliance and marquee erection) in advance of event date.
- Step 6:** The event organiser completes and submits a **post-event review form** (Form 12.1) and submits it to the Shire.

**Note:** Applications and approvals for an event are not transferable. Therefore the organiser cannot transfer approval for an event to an alternative venue, date, or time, without re-negotiating with the Shire.

## Event Application

You will be notified in writing when your Event Application has been processed. Forms must be submitted at least **8 weeks** prior to your event.

<b>Applicant/Organisation</b>			
<b>Responsible Person</b>			
<b>Contact Person (if different to above)</b>			
<b>Postal Address</b>
